

OUR IMPACT 2024

Dear Friends,

The year 2024 was shaped by a war that has continued for over a year, marking a dark chapter for Israel and the Jewish people. The unrelenting violence and devastation brought by the October 7 attacks left scars that will forever be etched into the heart of our nation. Yet, through this pain, the resilient spirit of Israel has not only endured but shone brightly, a beacon of hope for our people and the world.

Your unwavering support through this harrowing time has been nothing short of extraordinary. Together with The Jewish Agency for Israel and other partners, we have mobilized resources to provide immediate relief to those who needed it most, from sheltering families to supporting survivors. But beyond responding to the crisis, you've empowered us to begin the vital work of rebuilding—not just community infrastructure, but the very soul of Israeli society. Take a look at the impact you've had and the lives you've changed—they are a testament to the power of your generosity.

As we reflect on this past year, we also look forward, inspired by the courage and unity that define our people. With your partnership, we are investing in the future, strengthening communities across Israel, and ensuring a brighter tomorrow for generations to come. Every act of generosity, every gesture of solidarity, brings us closer to restoring what was lost and building a stronger, more united nation.

On behalf of all of us at Keren Hayesod-UIA, we extend our deepest gratitude to you. Your commitment fuels the spirit of Israel and binds us together in a shared mission of hope and renewal. Now more than ever, your support is a lifeline for a resilient nation determined to rise again.
